Praise for OLIVER TWIST

"The characters are amazing. The setting is perfect. The plot manages to throw out hundreds of threads and ties them all together at the end, while never losing or boring the reader." Darwin8u

"Oliver Twist has taken its place near the very top of my all time favorite books. It is a relatively fast-paced adventure story containing all the elements of great fiction." Jim Kinkade

"Oliver Twist- one of Charles Dickens's most famous novels tells the tale of a young orphaned boy named Oliver. Born in a workhouse, Oliver Twist follows Oliver as he endures turbulent times in nineteenth century London- a city plagued by poverty, crime and malice. As the road goes on for Oliver he meets the wonderfully created characters such as the miserly Fagin, the troubled Nancy, the ever so sweet Rose Maylie and the charismatic Artful Dodger." The Streetlight Reader

A TALE OF TWO CITIES

"Charles Dickens' A Tale of Two Cities thrives on tension and conflict, all set against a bloody backdrop of the French Revolution . . . Through the senses, Dickens transports us deeper and deeper into another era with each turn of the page. Smell the acidity of red wine as it spills on the streets and ominously stains the faces, hands and feet of peasants who lap it up in desperation; feel the competing emotions of heartache and hope as one of Lucie's suitors stands trial; hear the cries of the raging mob and the clangs of their weapons as they storm the Bastille; see the glint of the guillotine as it falls swiftly to its victim below. The novel's sense of urgency and intimacy will draw you in and propel you through one of the most tumultuous times in history."

Oprah's Book Club

DAVID COPPERFIELD

"David Copperfield by Charles Dickens was a superb story with an engaging cast of characters, and I think this might be Dickens' greatest achievement yet." Midnightfaerie

"This has got to be one of the best books I've ever read. The vivid descriptions of the characters were just fun to read." John

GREAT EXPECTATIONS

"Great Expectations is a masterpiece." The Atlantic

"Great Expectations is an unforgettable tale of fate and a chance encounter between two strangers that radically and arbitrarily alters the lives of everyone around them." Oprah.com
